Will travel to the coast of Maine on a luxury and enjoy the local shops & boutiques of Boothbay Harbor and waterfront. We will board the Bennie Alice boat from Pier 6 starting at 12:00 for a 12:30 departure. The boat ride to Cabbage Island includes a scenic tour of the coastline. Upon arriving to the island, you will have an opportunity to explore, play lawn games, or just relax in the charming 1900 guesthouse.

The Clambake is served within an hour and includes a cup of New England fish chowder, two lobsters, a pound of steamers, corn on the cob, and other traditional delights – including their famous Maine Blueberry Cake! Chicken is available; please let us know if you would like it when you register. Beverages, including alcohol, are available by cash only. Gratuities are not included.

NOTE: We suggest that you bring a cooler for your leftovers, an umbrella or raincoat, shoes that can handle uneven terrain, and a snack (due to late lunch).
